

# **The Riverland Recreational Trail Society**

Invites you to help

## **BRING THE TRAIL TO TOWN**

**Tuesday, May 16<sup>th</sup>**

**Lagasse Park**

**5 - 7 p.m.**

### **WATER RELAY 2000**

- The Water Relay Event will take place to promote trail use in the St. Paul area
- Designated water carriers will bring water from the North Saskatchewan River
- ATV's, horseback riders, bicyclists, and walkers will travel to Lagasse Park
- Participants will arrive at Park at 6 p.m. where a short program is planned
- Come out to learn more about the Trail
- View displays
- Talk to Trans Canada Trail Water Relay personnel
- local dignitaries will be on hand
- Your involvement will help to promote this community event

Share the vision and be a part of history by coming out to participate in the Trans Canada Trail Water Relay 2000 Event. It will be the longest multi-use recreational Trail in the world stretching over 16,000 kilometres coast to coast.

With the proposed abandonment of the rail line from Waskatenau to Elk Point and Cold Lake there is a great opportunity to build a trail that joins with the Trans Canada Trail and have it run through our community. This trail is presently completed to the Saskatchewan border at Onion Lake and is close to the Iron Horse Trail in Elk Point. This will be a great addition to existing recreational facilities and will be open to the public for a variety of pursuits.

**Live Entertainment – Hotdogs & Pop – Good Family Fun**
