

RAILS TO TRAILS HAS BENEFITS FOR EVERYONE

DURING THE PAST 5 YEARS THE IRON HORSE TRAIL HAS BEEN MANAGED BY THE RIVERLAND RECREATIONAL TRAIL SOCIETY WITHOUT MAJOR INCIDENT OR COST. ALMOST ALL OF THE ADJACENT LANDOWNERS HAVE SUPPORTED THIS WELL PLANNED AND MANAGED TRAIL. ONGOING CONSULTATION AND LOCAL CONTROL HAVE BEEN THE KEY TO SUCCESS. THIS PROCESS WILL CONTINUE IN PARTNERSHIP WITH YOUR ELECTED REPRESENTATIVES

OUR EXPERIENCE HAS SHOWN THAT CONCERNS OF SAFETY, NOISE REDUCTION, LIABILITY, POLICING, AND ACCESS CAN BE MUTUALLY RESOLVED AND SOLUTIONS INCORPORATED INTO A FUNCTIONAL TRAIL MANAGEMENT PLAN

THIS TRAIL WILL PROVIDE A SAFE, MONITORED LOCATION FOR MULTI-USE RECREATION THAT WILL CONTRIBUTE TO THE OVERALL LIFESTYLE OF LAKE LAND RESIDENTS. IN THE PAST THE RAILWAY PROVIDED ACCESS TO ALL RATHER THAN JUST A FEW. THIS TRAIL WILL CARRY ON THAT TRADITION.

MANY WILL SHARE IN THE POSITIVE ECONOMIC BENEFITS OF A WELL RUN TRAIL DESPITE WHAT HAS BEEN SAID ADJACENT LAND OWNERS WILL IN FACT ULTIMATELY BENEFIT FROM CAREFULLY MANAGED TRAIL DEVELOPMENT.
