

# Trail Overview

Building the Trail

Riverland Recreational Trail Society

Marvin Bjornstad

# Trail Project Goals

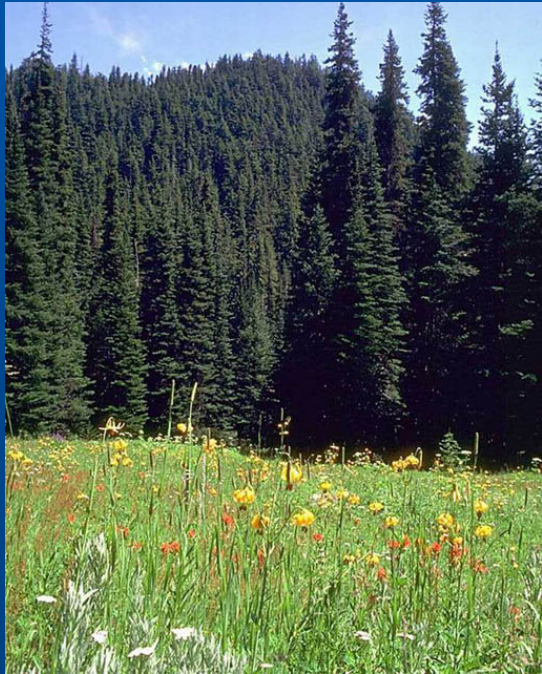

- **Building a trail from the Border to Edmonton**
- **Providing a link between communities, organizations and individuals**
- **Acquiring a land base Summer 2001**
- **Constructing and financing the trail 2002 – 2003**
- **Completion of trail for many uses in Alberta Saskatchewan centennial in 2005**

Remember: The trail is just a  
place for 5 core recreation  
activities

Gibbons, Alberta

# Five core activities

- Hiking
- Cycling
- Snowmobiling
- Equestrian activities
- Skiing

# Some activities will be in towns

Glendon

Thunder Bay

# Some activities will be rural

BC

Iron Horse Trail near Lindbergh

User groups will work to make activities compatible.

American Trail

- St Paul
- Smoky Lake

- **Horse groups**

- Boscombe
- Roy Scott

Riverland will attract individual members to a new regional initiative.

The regional area has a combined population base of 50,000 people.

Recreation is a need for all these people and they need many different activities to meet their needs.
