

**UKRAINIAN ORTHODOX - ST. VLODIMIR CEMETERY**

This cemetery is located west of the elevators and west of the Town of Elk Point. There are two cemeteries side by side in this graveyard area. The Ukrainian Orthodox - st. Vlodimir Cemetery is on the north side. The sign of their cross is a symbol of this cemetery.

For ease of locating the graves I have estimated their location with Row One and Grave One being assigned to the first grave on the SW corner of the graveyard.
