

# Come ride the Pink Trail

## August 9-31

Ride for a day, a weekend, a week ...  
or the whole magnificent adventure!

## Ride the Iron Horse for Breast Cancer

You'll ride beside rivers and lakes  
and through forests and small  
towns along a scenic trail that  
once was an active railway line.

You'll see "pinkified" towns,  
horses and riders, and you'll want  
to pinkify your own horse too!  
That's the Wild Pink Yonder  
experience. Bring your saddle  
horse or your driving team.
